**City of Vero Beach**

The City of Vero Beach recently changed ownership and is no longer a FMPA Member. As a result, they have withdrawn from this bid.

The prices bid are valid until January 31, 2019. In February, *(and each month thereafter)*, the pricing for this commodity will fluctuate based on changes in the metals indices specified in the bid. FMPA will distribute these adjusted prices to all Participating Members on the first business day of each month. Prices, as adjusted, are then firm for all orders placed during the month.

All of the exceptions or other conditions taken by Anixter, Irby Utilities, and American Wire Group are included with this letter. If you have any questions, please give me a call.
