Re: T&D Construction and Maintenance Services Award Extension
RFP# 2016-202

The FMPA T&D Construction and Maintenance Services Award is scheduled to expire August 31, 2020.

The Participating Members and the awarded vendors, Irby Construction, Pike Electric, Volt Power (*formerly Associated Diversified Services*), Michels Power have mutually agreed to extend the award for an additional year.

The engineering and construction department of PowerSecure, which was initially an awarded vendor has since been acquired by Pike Electric; as such PowerSecure has been omitted from this award extension.

In accordance with Section 10 of the RFP document, Term and Extension Option, the awarded firms have provided updated pricing.

This extension will expire on August 31, 2021. Should you have any concerns or questions regarding this extension, please feel free to contact me.
