1. FMPA Description

Formed by Florida's municipal electric utilities in February 1978, the Florida Municipal Power Agency (FMPA or the Agency) is a non-profit, governmental, wholesale electric utilities company created to serve the needs of municipal electric utilities in Florida. Of the 34 municipal systems in the State, 31 are FMPA members who participate at varying levels in Agency activities. A map of the 31 FMPA Members is provided in Appendix A.

In addition to bulk power supply and associated services, many FMPA members participate in various joint purchasing activities.

2. Introduction - General Description of Services Sought

With this RFP, FMPA is seeking a vendor(s) to provide Post-Storm Assessment services for one or more FMPA member utilities, as defined in more detail below. Successful vendor(s) shall provide qualified crews of foremen and experienced crew persons with vehicles mobilized to Participating Members' locations to assist with safety assessments, damage assessments, resource support, and post-storm recovery efforts.

FMPA is issuing this joint solicitation on behalf of multiple member utilities.

FMPA will enter into a Master Services Agreement with the selected vendor which terms will govern for any future work assignments requested of the selected vendor by FMPA Members. FMPA Members that choose to utilize the services under the Master Services Agreement will issue a Purchase Order to the awarded vendor. The Purchase Order may contain additional terms and conditions in addition to those in the Master Services Agreement. All invoicing will be conducted between the vendor and the Participating Member.

6. FMPA's Responsibility

DRAFT MASTER SERVICES AGREEMENT

Master Services Agreement

This Master Services Agreement is entered into on this ____ day of _____, 2022, and is by and between Florida Municipal Power Agency, a governmental joint action agency organized and existing pursuant to Florida law, with its office located at 8553 Commodity Circle, Orlando, Florida 32819, ("FMPA") and [CONTRACTOR], with its principle place of business located at [ADDRESS], ("Contractor").

FMPA is a municipal electric joint action agency formed pursuant to section 163.01, Florida Statutes, and exercises powers pursuant to section 163.01 and chapter 361, part II, Florida Statutes.

FMPA's members are 31 municipal electric systems within the state of Florida.

Contractor is a company offering utility post storm services.

The parties desire for Contractor to perform the services more fully described in this agreement and Schedule A.

Now therefore, for and in consideration of the premises and mutual covenants made herein, the parties agree as follows:

Section 1. Scope of Services

FMPA is entering into this Master Services Agreement on behalf of its members for Contractor to provide its services as described in Schedule A to this agreement, which is attached hereto and incorporated into this agreement by this reference (the "Services"). For FMPA's members that desire for Contractor to furnish Services under this agreement ("Participating Members"), FMPA is acting as a "Solicitation Agent" only. Each Participating Member will issue a Purchase Order with project- specific technical specifications. In addition, the Participating Member's Purchase Order may carry additional terms and conditions as required by the Participating Member. All project-specific direction, guidance and invoicing will be conducted between the Participating Member and Contractor.

In the event that any terms or conditions provided in Schedule A conflict with any terms or conditions of this agreement, or with the terms and conditions of a Participating Member's Purchase Order, the hierarchy will be as follows: 1) the terms of the Participating Member's Purchase Order, 2) the terms of this agreement, 3) the terms provided in Schedule A.

Section 2. Term & Termination

This agreement shall commence upon the date stated in the introductory clause of this agreement, and, unless sooner terminated, shall continue in force for an initial

period of five (5) years from its effective date. The initial term may be extended for five (5) additional one-year periods at the option of FMPA under the same terms and conditions as the original Agreement, including any Amendments thereto, unless otherwise modified by mutual agreement of FMPA and Contractor.

At any time, FMPA may terminate this contract, in whole or in part, for failure of Contractor to perform in accordance with the terms of this contract, or for any reason, at FMPA's sole discretion, upon 30 days prior written notice. Contractor may terminate this contract for cause upon 30 days prior written notice.

Any failure by Contractor to perform or comply with the terms and conditions of a Purchase Order issued under this agreement which continues for 10 calendar days after written notice from Participating Member to Contractor demanding that such failure to perform be cured, shall be deemed an event of default by Contractor. Upon the occurrence of any such event of default, Participating Member may terminate the Purchase Order and pursue any remedies available at law or in equity. Participating Member shall have the right in its sole discretion to terminate by written notice, in whole or in part, the Purchase Order for its convenience. Participating Member shall pay Contractor for any Services performed under the Purchase Order prior to the termination date.

Section 3. Compensation and Payment

Participating Members will through their own initiative issue project-specific Purchase Orders to Contractor. For those Participating Members, FMPA is acting as a "Solicitation Agent" only and shall not be held liable for any costs or damages incurred pursuant to any Purchase Order entered into by them with Contractor.

Prices as stated in Schedule A will be firm for the first two years of this agreement, with pricing updates considered for years thereafter. Any price changes must be agreed to in writing at least 60 days prior to becoming effective.

Section 4. Independent Contractor Status.

It is understood and agreed that Contractor is an independent contractor, is not an agent or employee of FMPA, and is not authorized to act on behalf of FMPA. Contractor agrees not to hold him or herself out as, or give any person any reason to believe that he or she is an employee, agent, or partner of FMPA. Contractor will not be eligible for any employee benefits, nor will FMPA make deductions from any amounts payable to Contractor for taxes or insurance. All payroll and employment taxes, insurance, and benefits shall be the sole responsibility of Contractor. Contractor retains the right to provide services for others during the term of this Agreement and is not required to devote his or her services exclusively for FMPA.
