Re: Extension of the Continuous Emissions Monitoring Services Bid Award
(FMPA BX# 2023-013)

The current award of the FMPA Continuous Emissions Monitoring Services Bid is scheduled to expire December 31, 2023.

The members participating in this Continuous Emissions Monitoring Services Bid have indicated a desire to extend the award with Coastal Air Consulting for an additional year. Coastal Air Consulting has agreed to extend the award for an additional year at the existing rates.

This new award extension will expire on December 31, 2024. Please let me know if there are any concerns or questions regarding this bid extension.
