FLORIDA MUNICIPAL POWER AGENCY

JOINT PURCHASE PROJECT TERMS AND CONDITIONS

The Florida Municipal Power Agency (FMPA) was formed in 1978 for the purpose of providing a means for its members to benefit from a joint association of fellow municipally-owned utilities, including joint purchasing of services, materials, supplies, and equipment utilized in the generation, transmission, and distribution of electricity.

In July of 1994 by action of its Board of Directors FMPA created a Project for the joint purchasing of services, materials, supplies, and equipment utilized in the generation, transmission, and distribution of electricity.

Those FMPA members desiring to share in the benefits of joint purchasing of services, materials, supplies and equipment have executed a project procurement agreement with FMPA and are a Participating Member of the Project.

The Procurement Agreement between FMPA and the Project Participants provides for FMPA to administer the Project for the selection, bidding, and awarding of services, materials, supplies, and equipment utilized by the Project Participating Member and for the Project Participating Member to secure services, materials, supplies, and equipment through this Project, thus enjoying the benefits resulting from bulk purchasing.

1. OVERVIEW

This is an Invitation to Bid issued by the Florida Municipal Power Agency (FMPA) as agent to solicit and award on behalf of the following FMPA Participating Member:

Town of Havana

This bid is for a one (1) year contract for the purchase and delivery of items/services as listed.

2. PURCHASING MATERIALS

Subsequent to the award, the Project Participating Members named above, will through their own initiative issue purchase orders and make subsequent release(s) of shipment to the vendor(s) awarded the contract pursuant to this Invitation to Bid. For those Participating Members, FMPA is acting as a "Solicitation Agent" only and shall not be held liable for any costs, or damages incurred pursuant to any agreement (purchase order) entered into by them with the successful bidder or offeror to this solicitation.

3. PARTICIPATING MEMBERS

It is anticipated that Municipal Electrical Systems other than those Participating Members listed in this paragraph may wish to purchase the specified services. Therefore, the bidder(s) is requested to extend the quoted price to any municipal system. In that event,

all of the applicable terms and conditions of this specification shall apply. A map showing the FMPA members is included at the end of this section.

4. FMPA'S RESPONSIBILITY

FMPA is responsible to administer the solicitation of the bids and the subsequent recommendation for award. FMPA has sole authority to modify the specification prior to bid opening and resolve disputes arising from interpretation thereof.

5. PRODUCTS/SERVICES

Products/Services will be purchased in accordance with the prices, terms, and conditions of this Invitation to Bid and any subsequent contract or purchase order.

6. QUANTITIES

The QUANTITIES listed for each item on the Bid Form are the aggregate MINIMUM ESTIMATED REQUIREMENTS; therefore, the estimated quantities are not guaranteed. Quantities are a good faith estimate and are based on projected usage but it is specifically understood and agreed: (1) that these quantities are approximate; (2) any increased quantities will be paid for at the contract price; (3) supplier shall not have any claim against the participating member(s) for quantities less than the estimated amounts; and, (4) participating member(s) shall purchase their requirements from the contract awardee(s) only unless awardee is unable to meet all the terms and conditions specified (including delivery) or a bona fide condition of emergency exists.

6.1 Vendor shall include with the bid any standard packaging quantities and/or minimum order quantity. Unless otherwise indicated, FMPA shall assume a standard package size of one and a minimum order quantity of one.

6.2 Vendor shall indicate guaranteed delivery from receipt of purchase order for each type, size or class of item bid as applicable.

6.3 The Project Participating Member reserves the right to reject in whole or in part, any or all materials which in its judgment is not as specified, reflects unsatisfactory workmanship or is damaged. In this event, payment shall be withheld corresponding to value of the rejected material until such the delivery is complete and accepted as contracted for.

6.4 Certain Participating Member(s) are of such a size that individual construction projects have significant impact on their overall purchases. For this reason historical information is often unreliable in predicting the future. These Special Participating Member(s) are not providing estimated quantities but are identifying the items they might purchase and are committing to all the other obligations (including the purchase commitments in this paragraph 5) included in this bid specification. An assumed quantity of one (1) will be used for evaluation purposes. For purposes of this bid, the following cities are considered Special Participating Member(s): NONE.

Certain Participating Member(s) are currently under award from a pre-existing bid; but anticipate utilizing the award from this bid upon expiration of their existing contract. For purposes of this bid, the following cities are considered Special Participating Member(s):

- 6.5 The Participating Member(s) have provided good faith estimates of their needs for the coming year. These good faith estimates do not include certain items but the Participating Members desire to have bid prices for all normal items so that they can readily respond to unforeseen requirements. Even though no quantities are given for these units on the bid forms, bidders are requested to provide bids for these units. An assumed quantity of one (1) will be used in the evaluation of the bids.

7. EXTENSION OPTION

This bid may be extended by mutual agreement between the Project Participating Member(s) and the successful bidder(s) provided the same terms, conditions, and prices exist, subject to Escalation/De-escalation as provided in Section 12. Should any supplier(s) choose not to renew their portion of the bid award, the Project Participating Member reserves the right to terminate the Contract with that supplier(s) and re-advertise or select a second supplier.

8. BID FORMS, VARIANCES, ALTERNATES, AND COMPLETENESS

- 8.5 Bidders shall quote on all items in one bid form. Failure to do so may result in the bid being rejected as not responsive.
- 8.6 When quotations on certain items are optional, bidders shall insert the words "No Bid" in the space provided for an item for which no quotation is made.
- 8.7 Incorporation in the bid of substantial exceptions to the Terms and Conditions shall invalidate the bid, if the exceptions amount to a substantial modification of the contract documents. Exceptions to Technical Specifications shall be clearly noted in the "Affidavit of Compliance".
- 8.8 The bid must be signed by an authorized agent or officer of the firm.
- 8.9 Each bidder shall submit with the bid complete manufacturer's description.
- 8.10 Any bid not having sufficient descriptive matter to describe accurately the equipment or materials proposed may be rejected as irregular. The descriptive matter submitted by the bidder will be retained by FMPA.

8.11 Verbal statements made by the Bidder at any time regarding quality, quantity, or arrangement of product/equipment will not be considered.

9. VARIANCE WITH APPLICABLE LAW

If the Bidder observes that the specifications are at variance with any applicable law, ordinance, rule or regulation, he shall promptly notify FMPA in writing and any necessary changes shall be made. If the Vendor performs any work contrary to such law, ordinance, rules and regulations, and does not comply with the procedure above, he shall bear all cost incident to such violation.

10. QUALITY TERMS/GUARANTY

- 10.1 FMPA and the Participating Members reserve the right to reject any or all materials if in its judgment, the item reflects unsatisfactory workmanship or manufacturing or shipping damages.
- 10.2 If any product delivered does not meet applicable specifications or if the product will not produce the effect that the supplier represents to FMPA, the supplier shall pick up the product from the Participating Members at no expense to FMPA or the Participating Member.
- 10.3 Also, the supplier shall refund to the Participating Member any money, which has been paid for same. The supplier will be responsible for attorney fees in the event the supplier defaults and court action is required.

If within the guarantee period the product fails to meet the provisions of this guarantee, the Vendor shall promptly correct any defects, including non-conformance with the purchase documents by adjustment, repair, or replacement of all defective parts or materials. The guarantee period shall begin on the date of delivery and shall end twelve months later.

11. BIDDER RESPONSIBILITY

Bidders are instructed to carefully read and comply with all requirements as specified in the Terms and Conditions, Technical Specifications, and Bid Forms.

The Awarded Bidder shall:

- At its expense, obtain all required licenses and permits for operating a business in the state of Florida as well as any necessary surrounding counties.

At the end of one year and annually thereafter, bid prices shall be adjusted up or down according to documented changes in the price of core steel, copper, aluminum, mild steel, stainless steel, oil and labor. It shall be the responsibility of the awarded bidder(s) to fully document the changes and satisfy the Participating Member(s) as to the amount of the change.
- 12.2 Notwithstanding in the above paragraph 12.1, if the change in price for any given term is 1% or less (up or down), no change will be made in the bid price for that term.
- 12.3 In the event an awarded bidder and the Participating Member(s) cannot agree on the amount of the change, the Participating Member(s) may elect to terminate the contract.

At the time the option to renew is to be exercised, the bid prices may be changed for the following reasons:

- 12.4 Manufacturer's production cost may be justification for price change; however, this shall not be construed in any way to increase vendor's margin of profit.
- 12.5 Approved (Florida P.S.C.) freight rate changes may change the total bid prices.
- 12.6 Florida Department of Transportation monthly index shall be recognized and approved, when applicable.
- 12.7 All written requests for price increases must include a back-up documentation as to the nature of the increase and shall be submitted to FMPA at least 30 days prior to renewal of contract. If FMPA should consider said increase unwarranted or unreasonable, FMPA reserves the right to terminate the contract with the vendor and re-advertise or select a second supplier. Any price decreases at the manufacturer's level shall be reflected in an immediate reduction of the bid prices and the vendor shall notify FMPA and the Project Participating Member(s) of said decrease.

13. PRICES BID

- 13.2 Bidders shall bid unit prices, delivered, F.O.B., which will apply to each Project Participating Member desiring the designated item. Unit price bid for each item will not extend beyond the hundredth of a decimal, e.g. Non-acceptable \$2.423; Acceptable \$2.42.
- 13.3 No bidder will be allowed to offer more than one price on each item even though he may feel that he has two or more types or styles that will meet specifications. Bidders must determine for themselves which to offer.

- 13.4 Give both unit price and extend and total. Prices must be stated in units of quantity specified in the bidding specifications. In case of discrepancy in computing the amount of the bid, the Unit Price quoted will govern. Each item must be bid separately and no attempt is to be made to tie any item or items in with any other item or items, unless specifically stated otherwise in these Terms and Conditions. Unless a bidder offers a discount on payment terms, it is understood that a minimum of 30 days will be required for payment, with time being computed from the latter of the date of satisfactory delivery at place of acceptance and receipt of correct invoice at the office specified. Payment discounts, if offered, shall be as requested by these Terms and Conditions and/or bid forms.
- 13.5 Any and all discounts, other than a payment discount, must be incorporated as a reduction in the bid price and not shown separately. The price as shown on the bid shall be the price used in determining award(s).

14. VENDOR EVALUATION

During the term of this award, the awarded bidder(s) will be evaluated by the Participating Members for delivery performance, accuracy of deliveries, and responsiveness. Failure of a bidder in any of these areas may be cause for termination of the award.
