MEMORANDUM

October 7, 2025

TO: Members participating in the Purchase & Delivery of Pole Line Hardware Bid

FROM: Sharon Samuels 

SUBJECT: Award Extension of the Purchase & Delivery of Pole Line Hardware Bid Award (FMIPA ITB# 2022-022)

The FMIPA Pole Line Hardware Bid Award, originally bid under FMIPA ITB# 2022-022, is scheduled to expire November 30, 2025. FMIPA contacted the current awarded bidder, American Wire Group to determine their interest in extending the bid award for an additional year.

American Wire Group indicated a desire to extend the award for an additional year, but will increase pricing per Section 12 of the terms and conditions section of the bid and added a clarification to pricing terms; stating that pricing may fluctuate as a result of governmental laws and other impacts. The Participating Members have accepted the new terms and pricing.

The extension is valid until November 30, 2026. All other aspects of the bid remain the same. If you have any questions, please give me a call.
