## MEMORANDUM

TO: FMPA Members

FROM: Sharon Samuels

SUBJECT: Wastewater Pipes, Valves, & Fittings - Bid Award STATUS – ITB# 2019-021

\*\*\*\*\*

The current Purchase and Delivery of Wastewater Pipes, Valves, & Fittings Bid Award expires December 31, 2025. The Joint Purchase Project is currently reviewing the Award with Ferguson Waterworks. Due to slow responses from the manufacturer, the process is taking longer than expected. To allow for a thorough review, Ferguson has agreed to a one-month extension of the current award.

Upon receipt of Ferguson Waterworks response to the extension opportunity, the Participating Members will determine whether to rebid or extend the award by mutual consent.

The one-month extension will expire January 31, 2026. If you have any questions, please give me a call.
