

Battery Energy Storage System (BESS)

FMPA RFP 2025-212

Questions & Answers – Revised 12/17/25

1Q: The RFP document defines the contract method to be "PPA" or "Turn-key EPC" or a hybrid --- will you consider equipment only bids? If not, would you have an approved list of developer/EPC for us to work with and submit a joint bid?

1A: FMPA will not consider equipment only bids.

2Q: Will you accept a budgetary proposal for batteries and EMS Software only?

2A: FMPA will not consider partial solutions. FMPA is seeking a turnkey solution; a fully functioning and deployed project as outlined in the RFP.
