Re: T&D Construction & Maintenance Services Supplemental Bid Award RFP#
2021-202A - Award Extension

The Electric Utility Transmission & Distribution System Construction & Maintenance Services Supplemental Bid award is scheduled to expire May 31, 2026. According to the FMPA Terms & Conditions, the bid award may be extended annually by mutual consent.

The Awarded Bidder, Irby Construction, and the Participating Members have mutually agreed to extend the award for an additional year with updated pricing.

All other aspects of the bid remain the same. This award extension expires on May 31, 2027.

If you have any questions regarding this bid extension, please feel free to contact me.
